

Joint Commission Public Notice

PUBLIC NOTICE

The Joint Commission will conduct an unannounced survey of this organization to evaluate the organization's compliance with nationally established Joint Commission standards. The survey results will be used to determine whether, and the conditions under which, accreditation should be awarded the organization. Joint Commission standards deal with organizational quality of care issues and the safety of the environment in which care is provided. Anyone believing that he or she has pertinent and valid information about such matters may request a public information interview with the Joint Commission's field representatives at the time of the survey. Information presented at the interview will be carefully evaluated for relevance to the accreditation process. Requests for a public information interview must be made in writing and should be sent to the Joint Commission. The request must also indicate the nature of the information to be provided at the interview. Such requests should be addressed to:

Office of Quality Monitoring
Joint Commission on Accreditation of Healthcare Organizations
One Renaissance Boulevard
Oakbrook Terrace, IL 60181
800-994-6610

The Joint Commission will acknowledge such requests and will inform the organization of the request for an interview. This notice is posted in accordance with the Joint Commission's requirements and may not be removed before the survey is completed.

If you have questions regarding this process, please contact Richard W. Amy, Director of Accreditation Services & Staff Development, Hathaway-Sycamores Child and Family Services at 626-395-7100.
