Family Finding: The Pathway to Permanency for CCR

September 5, 2019

To Register, go to: <https://cvent.me/PgBge>

Registration deadline: August 30, 2019

This training is aimed at leadership and Child and Family Team members; it is designed to provide an overview of how Family Search and Engagement works by reviewing strategies and tools to aid in the process of ensuring youth can engage with families that will allow for successful permanency. Participants will learn: family search and engagement models and principles, how to engage various stakeholders in the permanency process, examples of successful transitions and outcome monitoring, and to understand strategies and tools utilized in Family Search and Engagement services.

This training, food, and parking will be provided free of charge as the Southern California Welfare Collaborative is funded through a grant with Kaiser Permanente.
